PSA 91 - CONFESSION

A VACCINE FOR KEEPING YOUR IMMUNE SYSTEM STRONG.

I dwell in the secret place of El Elyon, the Most High God. I abide in the shade of El Shaddai.

I say of the Lord Jehovah is my refuge, my protection from physical harm, He's my fortress, my protection from human harm, He is my God, He is my God, in Him I trust.

Surely, He shall snatch me out, pluck me up from the snare of the fowler and from the noisome pestilence, the plague, from Covid-19, and every variant.

He covers me with His feathers, under His wings I trust. His word is my shield and my buckler.

I will not be afraid of the terror at night, nor the arrow that flies by day, nor the plagues that walk in darkness, nor for their destruction that wasteth at noonday.

A thousand fall by my side, ten thousand at my right hand but it won't come near me,

Only with my eyes will I see the reward of the wicked.

He will satisfy me with long life and show me His salvation, who is Yeshua my Messiah.

So I receive my vaccination right now, I'm free from every plague, the law of the Spirit of life in Christ, abides in me.

I am free from the law of sin and death, if sickness or disease touch my body it dies immediately.

In Jesus Name.

I am inoculated. Amen!
